

## **Concrete Troubleshooting**

**April 19, 2019 @ 8:30 am to 11 am**

**(Registration starts at 8:00 am with coffee/donuts)**

**Barry Staff Community Conference Room**

**230 Webster Street, Dayton, Ohio 45402**

**Spring brings warmer weather and questions about Concrete.**

**Come learn about common concrete issues and solutions, including:**

- Exterior Concrete Issues— scaling, mortar flaking, aggregate popouts
- Concrete cracks—interior and exterior
- Discoloration Issues
- Gain insight on industry standards regarding these common issues
- Learn about what fixes are available to keep homeowners happy
