

MEMBER SPOTLIGHT

There will never be enough time for the Home Builders Association of Dayton to express how thankful we are for the support and engagement of all of our members. But we would like to show you how much we appreciate it by featuring a new business each week as part of our Member Spotlight.

The HBA of Dayton also wants to help promote our members involvement in the community. If you are attending an event, starting a new project, or have a promo. Send us the information and a photo so we can highlight these on our Social Media Sites

Here is what we want to know for our Member Spotlight:
